COMPANY A LEAVES FOR ITS  
PARK CAMP TODAY.

Made for This Evening—Company C  
Meeting—Another Election in B—  
Promotion—C. B. and Ole Olson.

Company A had a large turnout at the business meeting held Friday evening. One new member was elected. Final arrangements for the encampment were made. The company will have fun at the island tonight. The Quintette Club has been engaged and a number of friends will be out.

Company D and the police will have the first inside at the hotel this afternoon. Sergt. (here hopes to equal) his last fine score.

Company C will hold no more meetings until officially called.

Col. McLennan will be expected back tomorrow morning from Kauai.

Corporal Hagerup, Company B, will be promoted to be sergeant.

It would appear that Company H will have to have an election for another first lieutenant. Friends of the new man regret most his sudden departure and the shadow behind.

The staff and field only will be honored with the guard at Makee Island tomorrow.

Every effort will be made to have a big house on the occasion of the presentation of "Ole Olson" by Company B next Saturday evening. This will be the last play put on in the drill shed in quite a long while.

# A NEW LEASE OF LIFE

A SUFFERER FROM ACUTE DYSPEPSIA OBTAINS IT.

He Had Been Forced to Quit Business and Was Hopelessly Discouraged When Help Came.

From the Amherst (Canada) Sentinel.

Mr. Chas. Tucker, who lives about two miles from Lockport, is one of the best known men in that section. He is engaged in business as a lobster packer, and dealer in flour and salt, and in addition has a fine farm. During the past three years Mr. Tucker has been an almost constant invalid, being the victim of a complication of troubles following a severe attack of influenza. Recently he has been restored to his old time health and having learned that he gave the entire credit to Dr. Williams' Pink Pills, concerning which so much has been said through the press, a reporter interviewed him in the matter, and was cheerfully given his story for publication. Mr. Tucker said:

"About four years ago I had a severe attack of influenza, which left me in a fearful condition. I had for a number of years before this attack been a sufferer from dyspepsia, but following the influenza it took a more acute form, and to add to my distress my liver appeared not to perform its usual functions, and my heart troubled me greatly, and there were other complications which baffled the skill of four doctors whom I successively called in in the hope of regaining my health. From the knees down my legs were as cold as ice; my bowels would bloat and I would have difficulty in passing urine and I suffered great pain. My case went from bad to worse despite the medical treatment I was undergoing, and at last I got so bad that I was forced to give up business. I could hardly eat anything, got but little sleep at night, and as you will readily understand my condition became one of despair. My father urged me several times to give Dr. Williams' Pink Pills a trial, but I was so discouraged that I had no further faith left in any medicine. However, more to please him than from any hope of beneficial results, I began the use of Pink Pills. The first beneficial effect I found was that the warmth and natural feeling began to return to my limbs, my bowels ceased to bloat, and with the continued use of the pills my appetite returned. I slept soundly at night, and the action of my heart again became normal. I continued taking the Pink Pills until I had used in all fifteen boxes, and I have not felt better in years than I do now. I did some particularly hard work last fall, and was able to stand it with a strength and vigor which surprised me. I consider Dr. Williams' Pink Pills not only a wonderful medicine, but also in the light of what my other treatment cost, the least expensive medicine in the world, and I strongly recommend Pink Pills to all in need of a medicine."

Dr. Williams' Pink Pills act directly upon the blood and nerves, building them anew and thus driving disease from the system. There is no trouble due to either of these causes which Pink Pills will not cure, and in hundreds of cases they have restored patients to health after all other remedies had failed.

Pink Pills are put up in glass vials, both outside wrapper and vial bearing the full trade mark, "Dr. Williams' Pink Pills for Pale People." These pills are sold by the Hollister Drug Co., and the Hobron Drug Co., wholesale agents for Hawaii.

## Disappointed To The Gift.

"I've never preached or taught," said Ben Adhem, "but I've had some little experience in the unexpected myself. I remember one instance which occurred on my father's farm in good old Ohio. Zeke was a very raw, very ungainly and very poverty stricken 'hand,' who hailed from the least respectable region of country roundabout. He had probably been brought up on parched corn and maple sirup and never had a Sunday suit in his life. When he came to us, at any rate, he was almost barefoot, and as the days began to grow chill father took it upon himself to buy Zeke a pair of stout shoes. The presentation was a sorrowful scene. Zeke held the shoes disconsolately by the string which tied them together and tried to look grateful, with alarming unsuccess. 'Why, what's the matter, Zeke? Don't you like your shoes?' father asked in real concern. Zeke's face quivered and presently broke into a lubberly expression of woe. 'Yes, sir,' he said, gulping hard, 'but I could have went without shoes, an I'm just sufferin' for a scarpin.'"—Chicago Interior.

Knowing ones invariably call for Pabst Milwaukee instead of merely asking for Milwaukee beer. Anyone desirous of ascertaining what Pabst Milwaukee Draught Beer is, can do so by calling at the Royal, Pacific and Cosmopolitan saloons, where it will be served to them cold and sparkling and at the same price as other beers.
